

Giving people a head start

The Working Wardrobe project will donate interview clothing to people looking for work in our communities in South Wales.

This project will give people the confidence and self-belief to take that all-important first step towards a new, meaningful career.

Because when you're dressed for success, you feel like you can take on the world.

How it'll work

Housing association tenants and people engaged with local support services will be able to select, create and keep a 'work suitable' outfit from their local store for free.

Clothing will be accessible across four key hubs: Cardiff, Rhondda Cynon Taff, Caerphilly and Vale of Glamorgan.

How your donation will help

We're currently filling our hubs with enough clothes to kickstart our project, and are looking for financial donations to help purchase stock while COVID-19 hampers our ability to collect clothes in person.

Every bit counts towards a more equal and prosperous Wales. By supporting our Working Wardrobe initiative, you'll be helping us:

- ✔ **Contribute to improving employment rates among the affected by the Covid-19 pandemic**
- ✔ **Help remove barriers to employment for people in our communities of all cultural backgrounds**

Happy to help?
